

Sri M. LINGANNA.—Can I take it that in answer to (d) an estimate for another canal is being prepared?

Sri Kadidal MANJAPPA.—There is no proposal at present.

Sri M. LINGANNA.—In the answer to (d) you have stated that the total cost of the estimate is Rs. 5,900. May-I know whether there is an estimate prepared for the additional canal being dug to this tank?

Sri Kadidal MANJAPPA.—I think it has been made clear in answer (c) "Yes, for improving the Tagadur channel. Only 30 acres will come under cultivation. . ."

This answer (d) refers to the answer given to question (c).

Sri M. LINGANNA.—Shall I take it that there is no estimate prepared for a new canal in addition to the one that is in existence?

Sri Kadidal MANJAPPA.—I am afraid there is no such proposal at present.

Sri M. LINGANNA.—Shall I take it that the Government will issue instructions to the concerned officers to sanction this estimate early?

Sri Kadidal MANJAPPA.—It all depends upon the various factors—to consider the remunerative aspect, the utility aspect and other considerations.

Sri M. LINGANNA.—Whether the Government would examine all these aspects?

Sri Kadidal MANJAPPA.—Oh, yes. As early as possible all these aspects will be examined.
